

Celebrate Holistic Living in
Nature's Lap

Designed for Happiness..

ABODE FOR HOLISTIC LIVING

It is an art to live in perfect synchrony with the mother nature. That is how our creator intended us to live. **Hari Chandana Agro Park** - a first of its kind - believes in harnessing and tapping nature's undiluted potential in all its glory. Set in verdant environs, a luxury gated-community with exclusively carved cottages dotted with sandal wood plantation.

Hari Chandana proudly lives up to its name as a blend of optimal balance of a home and a serene retreat for you and your family. This lush green lap of nature provides the refreshing antidote for your craving soul from the everyday urban grind.

ETERNALLY PRECIOUS SANDALWOOD

From time immemorial, sandalwood is the essence of our very existence. Deities are appeased with sandalwood and hence it formed the core beauty of our rich heritage and culture. Sandalwood has become an integral part of our lives at each stage starting from Religion to Beauty, Health to Fragrances, and Art to Craft. Sandalwood is now virtually critical component for Medicines, Cosmetics, Skincare, Fragrance Materials and in Religious/Cultural offerings. Sandalwood is the undisputed Numero Uno raw material and enjoys incessant demand world-wide. **Hari Chandana Agro Park** theme is to address this niche market as a dedicated vendor and enrich our investors.

At **Hari Chandana Agro Park**, every inch of land is as precious as sandalwood and is for the fullest benefit of the investor. Attractive pricing, utmost transparency, clear legal titles, comprehensive documentation, end to end solution for sandalwood plantation, grooming and marketing are the hallmarks of this prestigious project.

REJUVENATE YOUR INNER SOUL

A life of exclusivity provides high degree of refinement. **Hari Chandana Agro Park** is sculpted for the aesthetic minds who demand world-class quality sans extravagance. As a luxury gated community you are surrounded by all that is exclusive and evokes a sense of serenity, security and simplicity. The back drop of these enviable settings empowers you to offload all your mundane worries and helps you relax, rejuvenate and revel on the stage called life.
